

The Twenty-first Session of the Intergovernmental Meeting
on the Acid Deposition Monitoring Network in East Asia
12-13 November 2019, Beijing, China

Progress Preparation of the 20th Anniversary of EANET

Secretariat for the EANET

1. Background

In 2020, EANET will celebrate its 20th Anniversary. EANET has been through a very long and exciting journey in the last two decades. The Network has been contributing to the improvement of acid deposition and air pollution status in the region.

To commemorate this significant milestone, the Secretariat and the Network Center (NC) plan to host a small ceremony on the margins of the 22nd Session of the Intergovernmental (IG22) Meeting on EANET in Niigata, Japan. The event will be organized on the evening of 21 October 2020 in Toki Messe, Niigata, Japan.

2. Format of the event

In this event, EANET Secretariat and the NC will award the plaque (see Annex) of appreciation to each National Center of the participating country, Niigata Prefecture and Niigata City for the continuous support to EANET in the last twenty years. In the ceremony, UN Environment will introduce the history of EANET briefly.

3. Participants

The event will be attended by all participants of the IG22, representative from Niigata Prefecture and Niigata City, ACAP staff, UN Environment staff, and other invitees.

4. Preliminary Draft Program

The Ceremony of 20th Anniversary of EANET will be started after the closing of the IG22 at 16:00 PM. The venue will be in Marine Hall (4F), Toki Messe, Niigata, Japan. Preliminary Draft Program is as follows:
