

The Nineteenth Session of the Scientific Advisory Committee  
on the Acid Deposition Monitoring Network in East Asia  
8-10 October 2019, Siem Reap, Cambodia

## **Progress of Preparation of EANET National Awareness Workshop in Malaysia**

### **Secretariat for the EANET**

#### **1. Background**

EANET National Awareness Workshop in 2019 will be held from 26 to 28 November 2019 in Dorsett Hotel, Putrajaya, Malaysia. This Workshop is co-organized jointly by Secretariat for the EANET and the Ministry of Energy, Science, Technology, Environment and Climate Change (MESTECC), Malaysia.

#### **2. Objectives**

To facilitate sharing and learning platform and to increase understanding on issues related to prevention of acid deposition and air pollution that contribute to the achievement of EANET objectives.

#### **3. Participants**

Participants of the Workshop are government officials, academicians, non-government organizations, and private sectors.

#### **4. Tentative Programme Agenda**

The Workshop consists of a two-days indoor activities and half-day site visit. Detail information on the Tentative Programme Agenda is as follow:

##### Day 1 - 26 November 2019

- Opening Ceremony
- Session 1 - EANET: Intergovernmental Cooperation – Status and Development
- Session 2 - Overview: Air Pollution and Acid Deposition – (1) The Relationship Between Air Pollution and Acid Deposition and (2) The Impact of Air Pollution and Acid Deposition on Human Health
- Session 3 - Current Situation and Challenges - Policy Actions to Tackle Acid Deposition and Air Pollution in Malaysia

- Session 4 - Acid Deposition Monitoring Activities : (1) Data Collection and Analysis in Malaysia; (2) Data Collection and Analysis in EANET Region
- Session 5 - Acid Deposition Monitoring Activities: (1) Experience Sharing: Analysis and Findings; (2) Discussion: Challenges

Day 2 - 27 November 2019

- Session 6 - Clean Air Technology and Demands
- Session 7 - Early Warning System on Air Pollution
- Session 8 - Preventive Air Pollution Measures
- Closing ceremony

Day 3 - 28 November 2019

Site visit (optional):

- Environmental Data Centre – Department of Environment, Putrajaya; or
- National Weather and Geophysical Operations Centre and Global Atmospheric Watch Station - Meteorological Department, Petaling Jaya
