

The Fifteenth Senior Technical Managers' Meeting
of the Acid Deposition Monitoring Network in East Asia
4-5 August 2014, Hanoi, Vietnam

Annotated Agenda

1. Opening of the Meeting

The meeting will be opened by the Secretariat and the Network Center (NC) for EANET.

2. Election of the Officers

The meeting will be invited to elect the officers of the meeting.

3. Adoption of the Agenda

The meeting will be invited to consider and adopt the agenda of the meeting as well as the draft program.

4. Report on Progress of the EANET since STM13

The Secretariat and the NC will report the EANET activities since the Fourteenth Senior Technical Managers' Meeting (STM14) held on 26-28 August 2013, in Tokyo, Japan from scientific and technical viewpoints. The report includes the outcomes of the Thirteenth Session of the Scientific Advisory Committee (SAC13) held on 25-27 September 2013, Xiamen, China, and the Fifteenth Session of the Intergovernmental Meeting (IG15) held on 16-17 December 2013, Chonburi, Thailand. The meeting will be invited to review and comment on the documents.

5. Overview of the Preliminary Draft Data Report 2013

The NC will present the overview of the Preliminary Draft Data Report 2013 of the EANET based on the data and related information submitted by the participating countries. The meeting will be invited to consider the document and provide comments, if any.

6. Evaluation for the Results of the Inter-laboratory Comparison (ILC) Project 2013

The NC will present the overview of the ILC Project 2013 based on the results submitted by the participating countries, and explain the observed issues and problems. The meeting will be invited to exchange knowledge and experiences among the participants and the NC.

7. Consideration of the National Monitoring Plans (NMPs) and current monitoring activities for the EANET Monitoring of the Participating Countries.

All of the participating countries will make presentations on their NMPs including current capacities and future plan for the improving of the monitoring activities in their countries, and on the current activities for EANET monitoring including technical problems encountered throughout the monitoring activities. The meeting will be invited to review the above issues, and is expected to discuss with their experiences and knowledge to solve the problems for their future innovation. The NC will also present a summary of the EANET activities.

8. Other Issues

The meeting will discuss and consider other issues or general questions to be raised by the participants, the Secretariat and/or the NC, including, but not limited to, progress report on technical activities of the EANET, such as the Status of Monitoring and QA/QC System of Ozone in EANET, Reviewing Committee on the State of Air Pollution in East Asia and introduction of a part of “Integrated Program on Better Air Quality (IBA Q)” which is under implementation by Clean Air Asia (CAA) and Asia Center for Air Pollution Research (ACAP). In addition, one of Vietnamese resource person will make presentation on current status of air quality monitoring in Vietnam.

9. Closing of the Meeting

The meeting will be closed by the Chairperson.
